Building Confidence, Character and Resilience

Nursery to Year 6

There is a strict uniform code at Oakleigh House and parents are requested to support the school by making sure their children have the correct school uniform and games kit.

Parents are also requested to clearly label all items of uniform with their child's name.

Prep School Games Kit

Sport plays a prominent part of life at Oakleigh House. We are well known throughout Swansea primary schools for our success in all sports.

Every Wednesday and Friday the children should wear their PE kits to school. The children go off site once or twice a week for PE. The buses leave promptly at 8.50am. Unfortunately, if your child isn't in school by this time they will miss PE.

All children should wear full PE Kit to every lesson. This includes T-Shirt, Tracksuit top and trousers. Laced trainers are the safest option when playing team sports and matches. As we enter autumn/winter, please make sure your child has the school navy coat to take to lessons as we will still do Games even if it is raining. No earrings are to be worn in PE and hair has to be tied back.

If for any reason your child can not take part in a PE Lesson, please send an email to your child's class teacher or write a note in their diary.

Below is a list of the kit your child must have for PE Lessons and After School Sports Club.
