

School Vision

At Oakleigh House School and Nursery, we are more than just a school—we are a family, where every child feels a true sense of belonging and childhood. We create opportunities for all pupils to grow in confidence, develop resilience, and embrace challenge in a safe and supportive environment.

Through a rich and varied curriculum, we ignite curiosity, nurture academic excellence, and provide memorable experiences that inspire a love of learning. We are proud to be a digitally aware school, equipping children with the skills needed to communicate effectively and responsibly in a rapidly evolving world.

We value kindness, tolerance, and respect, ensuring that every child grows into a responsible and compassionate member of society. Whether in the classroom, through sport, performing arts, or outdoor learning, we encourage children to explore their talents, take pride in their achievements, and develop the confidence to thrive.

At Oakleigh House, we inspire the children of today to become the global citizens, leaders, and innovators of the future.

From little acorns, mighty oaks grow: Curiosity and challenge in a nurturing environment.
